Dear Ms. Au:

It is with great pleasure that I submit this letter of reference on behalf of Performance Vistas Incorporated (PVI). This agency has worked with the Criminal Justice Coordinating Council (Council) for the past year to develop a state curriculum for victim assistance providers and a strategic plan for the State's Victims Assistance Academy. PVI has offered remarkable professional guidance on this project and provided critical technical assistance to project support staff and the Georgia Victims Assistance Academy Steering Committee (GVAASC). As such, PVI has produced several major products including task plans, and training assessment tools that have proven essential in our planning efforts to develop a successful State Victims Assistance Academy.

The Council has a strong history of supporting programs and organizations that improve the quality of life for victims of crime. Performance Vistas has worked diligently to assist our state in the fulfillment of this commitment, and the Council supports their efforts to continue assisting programs tasked with improving the criminal justice community. Should you necessitate additional information, please do not hesitate to contact Joseph Hood, Division Director for Grants Administration at 404/559-4949 or via e-mail at jhood@cjcc.state.ga.us.

With kindest regards, I remain.

Sincerely,

L. Gale Buckner
Executive Director
