Dear Mr. Bailey:

Just a note to let you know your hard work at the 2006 Georgia Victim Assistance Academy was sincerely appreciated. Your commitment to preparing new advocates in the dynamics of sexual assault and child abuse is absolutely inspiring.

Academy participants have echoed their appreciation by stating the following:
"The trainers were the cream of the crop, thereby passing the torch of excellence to us, the up and coming victim advocates for the State of Georgia. From my perspective, the pioneer trainers passionately took us by the hand and led us to a place where we could walk in confidence as professionals. "

Again, our heartfelt thanks for your important role in the success of the Academy. May our ongoing partnership promote ever-improving services for victims and may the benefits to you of helping others be countless.

Sincerely,

Molly J.M. Perry
